### **Getting to and from Belgrade Nikola Tesla airport (BEG)**

Serbia's main international airport is generally an easy task with few options available. Distance from Belgrade airport to the city centre is about 20 km. The trip takes around 30 minutes by car or 45 minutes by bus.

#### Travel by Taxi

On the airport exit there is a Taxi information desk, where you can order taxi with the fixed price. From the airport to the city centre the fix price is approx. 2000 dinars (€20). You just have to say the address to the Taxi information desk officer, they will give you a voucher with fixed price and will be going with you right to the first available taxi driver and you are paying that amount when you get to the desired address. Charge per piece of baggage in the boot sometimes is free, sometimes is approx. 100 dinars.

There is no Uber service in Belgrade.

#### Bus service - Mini Bus A1:

Near airport exit gate there is bus station for "Mini Bus A1". Mini bus A1 operate between airport and Slavija Square. Bus stop also in New Belgrade (Fontana stop) and near Belgrade main train station. Tickets can be purchased in the bus and the cost is approx. 300 dinars (€3).

### **The official currency of Serbia is the Serbian Dinar (RSD)**

Exchange offices accept euros, US. dollars, pounds, CHF, etc. Banks also perform currency exchange, but almost always at less favourable exchange rates than exchange offices. The most of the restaurants and shops accept credit cards.
